In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) Title. Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the Government upon acceptance, regardless of when or where the Government takes physical possession.

(o) Warranty. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(p) Limitation of liability. Except as otherwise provided by an express warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.

To remain registered in the CCR database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the CCR database to ensure it is current, accurate and complete. Updating information in the CCR does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2)(i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the CCR database; (B) comply with the requirements of subpart 42.12; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. **5152.233-9000 Army Contracting Agency Executive Level Agency Protest Program.
(APR 2004)**

(a) This contract is eligible for the HQ, Army Contracting Agency (ACA) Executive-Level Agency Protest (ELAP) program, as an alternative to the usual provisions applicable for Agency protests under FAR 33.103. An ELAP is a "PROTEST TO THE AGENCY," within the meaning of FAR 33.103. The ELAP is intended to encourage interested parties to seek resolution of their concerns within ACA, rather than filing a protest with the General Accounting Office (GAO) or other external forum. After an interested party files an ELAP protest on an ACA procurement to HQ, ACA and while that protest is pending, the protester agrees not to file a protest with the GAO or other external forum. If a protest is filed with an external forum on the same solicitation as the ACA ELAP protest, the ACA, ELAP protest will be dismissed. A party wishing to file an agency protest may either file a normal agency protest where the resolution is made at the contracting officer's level; or, in the alternative, file an ELAP protest, where resolution is made at HQ, ACA.

(b) An interested party may file a written protest to the Agency under the Executive-Level Agency Protest program for contract solicitations arising and performed within the continental United States. Such Executive-Level Agency protests are limited to objections to any of the following:

(1) A solicitation or other request by an agency for offers for a contract for the procurement of property or services.

(2) The cancellation of the solicitation or other request.

(3) An award or proposed award of the contract.

(4) A termination or cancellation of an award of the contract, if the written objection contains an allegation that the termination or cancellation is based in whole or in part on improprieties concerning the award of the contract.

(c) *Voluntary Automatic Stay.* This clause describes the circumstances under which the ACA voluntarily agrees to stay performance of a contract in consideration of a decision by an interested party to file an Army Contracting Agency (ACA) Executive Level Agency Protest (ELAP), as permitted by FAR 33.103(f)(4).

(1) In a standard post-award agency protest, the agency must not proceed with contract performance, pending resolution of the protest. This is known as an "automatic stay" and it mirrors the stay required under a timely post-award protest to the General Accounting Office (GAO) under 31 U.S. Code 3553(c) and FAR 33.104(c) (a "Competition in Contracting Act (CICA) Stay"). However, if the agency determines that performance must proceed, based upon the criteria set forth in FAR 33.103(f)(1), the automatic stay may be overridden. This is known as an automatic stay "override."

(2) The CICA stay applies only if the GAO protest is filed within 10 days from notice of award, or within 5 days of a required debriefing. A firm may file an agency protest and, if it is dissatisfied with the agency's protest decision, may wish to file a follow-on GAO protest. Under normal circumstances, a protester that goes to the GAO after receiving an adverse agency decision will find that the GAO may take jurisdiction and actually render a recommendation, but that the CICA Stay no longer applies.

(3) The ACA voluntarily agrees to stay performance of a contract when an interested party files a timely protest under the ELAP Program. Should the interested party disagree with the ACA's resolution of an ELAP protest, it may utilize another protest forum without prejudice. The ELAP Voluntary Automatic Stay extends the protester's right to preserve the status quo pending resolution of all protests with respect to a particular contract action. In return for the protester's initially filing its protest as an ELAP instead of with the GAO, the contracting officer agrees that, if the protester ultimately disagrees with the ELAP decision and files

a GAO protest, the agency will agree not to proceed with performance just as it would have done if the protester had filed its protest with the GAO right from the start. This means that in an ELAP protest, the agency may override the stay under the same standards and circumstances as would have applied if the protest had originally been filed with the GAO. Nothing in this clause adversely affects an interested party's rights to protest a contract action to the GAO, or to seek other relief related to the action.

(d) An Executive-Level Agency protest may be filed with the Contracting Officer designated in paragraph (g) of this clause for resolution of protests, or, with the ACA Chief Counsel at HQ, ACA at, 5109 Leesburg Pike, Suite 302, Falls Church, VA 22041-3201.

(e) For the purpose of filing an ELAP protest, an interested party means an actual or prospective bidder or offeror whose direct economic interest would be affected by the award of a contract or by the failure to award a contract. The ACA Chief Counsel is the ELAP Protest Decision Authority.

(f) An ELAP protest must include the protester's name, address and telephone number, including fax number; the solicitation or contract number, identity of the contracting activity and the contracting officer's name; a detailed statement of all legal and factual grounds for protest (mere disagreement with the decisions of contracting officers does not constitute grounds for protest), including copies of all relevant documents; a request for a ruling; and, a request for relief. All protests must be signed by an authorized representative of the protester and must state it is an ACA Executive-Level Agency Protest.

(g) Executive-Level Agency Protests, as defined in FAR 33.101, may be served on the Contracting Officer (addressed as follows) by obtaining written and dated acknowledgment of receipt from . *[Contracting Officer designate the official or location where a protest may be served on the Contracting Officer.]*

ALTERNATE DISPUTE RESOLUTION

In furtherance of Federal policy and the Administrative Dispute Resolution Act of 1990 (ADR Act), Public Law 101-552 and FAR Clause 52.233-1, Subparagraph (d) (2) (1) (B) (2), the Contracting Officer will try to resolve all post award acquisition issues in controversy by mutual agreement of both parties. Interested parties are encouraged to use alternative dispute resolution procedures to the maximum extent practicable, in accordance with the authority and requirements of the ADR Act.
